This world of ours has witnessed many of the scientific. It is the Ebony Era SHERIDAN's statement as to the burnand the Econy Empire. White men ing of Columbia wilfully untrue. Per- Massachusetts, composed of 1417 Delewho beast of their superior Intelligence haps because he was a rebel, and thereand their "higher civilization," vie with fore no gentleman, the matter ended of September. Among the Resolutions each other in paying homage to the from WENDELL

Gill, delivered an address at Yerre Hates on day according of the Section of the North sparse lines and agreement of lines to the Indian American of the North sparse lines and agreement of the North sparse

solving her connection with such an ancestor. But aside from the barbarous and nonsepsical expose which the fellow has made of himself, would it not be also to record Mr. However as allke teem with lies. To be like a bulalike tesm with lies. To 'be like a bulletin' became a common expression in the type of the Radical faction, which, by its principles and legislation, has done all in its power to render the negro superior to the white man, in every sense in which that object can be effected. Have not negros been enfrancilised, in the South by Radical legislation, francilised, in the South by Radical legislation. wise to regard Mr. Howard as letin' became a common expression in chised, while white men have been disfranchised, in the South by Radical legislation, both in Congress and the Tennessee Legislature? What do the Radicals of Congress and our State Legislature mean, if they do not intend to place
the negro above their own racs?
They mean nothing else, hoping
They mean nothing else, hoping
the reby to perpetuate their brisf

They the caches and the details of battle, about the relative numbers, about everythe responsible to perpetuate their brisf

dino. We hardly know the truth about a single battle of the late war,
about a single battle of the late war,
About everything that occurred, the coiumns of the Northern journals glittered,
and flashed and scintillated with fles
ture mean, if they do not intend to place
the negro above their own racs?
They mean nothing else, hoping
the exchange of prisoners, about everythereby to perpetuate their brisf thereby to perpetuate their brief anthority in the land and to monapolize all the offices and all the political power. If the negroes will trust them with the lead and consent to be mere voters, while they hold all the mere voters, while they hold all the political power. The control of fabrication. They continue to imname he may have; for "by any other name he would smell as sweet." They low-eitizens to the negro. They have it not get the people of the South, and are now feloniously contemplating their entire destruction, to make the negro upperment. Why should not these Radical ampirants, in our midst, practise social as well as political equality with a race they so much love? It is true they are not willing to give up the offices to the felonious to the second of the South, and are now feloniously contemplating their tentire destruction, to make the negro upperment. Why should not these Radical ampirants, in our midst, practise social as well as political equality with a race they so much love? It is true they are not willing to give up the offices to the House is rather evidence of disreposite. low-citizens to the pegro. They have are not willing to give up the offices to
them. Oh, no! They desire to hold
these ihemselves, as a fitting reward for
their invaluable services, in rescuing
the negro from bondage, as they
